

# DIN 467-NI

Knurled grip knobs

INOX  
Stainless Steel

## technical informations

### Material

AISI 303 stainless steel, sandblasted matte finish.

### Assembly

Tapped through hole.

### Features and applications

AISI 303 stainless steel, thanks to its high resistance to corrosion, allows the application of these knobs on machines and equipment in those sectors where laws or particular hygienic, climatic and environmental factors make it mandatory to use corrosion resistant materials.
